Testimonials

Andrew & Natalie

"I honestly can't believe the day my guests, bridal party, my husband and I had at our wedding. It exceeded all of our expectations and took our breath away. The meals were large and delicious, the staff went above and beyond; we really are so incredibly happy that we held our Ceremony and Reception here. Thank you for an evening that we will cherish for the rest of our lives."

Ben & Janine

"I cannot thank the team enough for helping pull our wedding ceremony (and so much more) together in 6 days. Nothing was ever a problem and everything was top quality and professional from the very first contact all the way to the end. As a bride planning a wedding in that short amount of time I never has a worry about the ceremony and any of the planning that was associated with it."

Nina & Andrew

"I had a picture in my head of what our special day would look like and with the help of the wedding coordinator, she helped create the most magical day of our lives, it couldn't have been more perfect. Every detail from the great service, to setting everything up, to the tasty food! Throughout the night we had family and friends come up to us and commented saying 'This is the best wedding I've ever been to' and that filled our hearts with such happiness."
